Struggling with water bills?

Ian Talbot is the partner of Julie Hansford, one of our trustees, and you may have seen him helping at our events. Ian works for Citizens Advice and is funded by Wessex Water, to help people get access to affordable water bill schemes and lower their monthly payments. There is no catch; no set criteria and you do not have to be claiming benefits. Your credit rating is unaffected, all that happens is that your payments will be reduced to a much lower level and, at the end of two years, all accumulated bills are written off and you start afresh.

Applying is simple, just contact Ian by phone on:

01202 817971 or email: ian.talbot@citizensadvicebcp.org.uk.

Ian will contact the water company, complete a simple budget plan and submit the application online.

All our Trustees are volunteers who give up their
spare time to Dorset DCS. The charity could not
function or provide support and events without their
time and the help that they give to the charity. The
Trustees family members quite often also give up
their time to help. Everyone does what they can and
it is much appreciated!

**Thank you to all our volunteers
you make a great team!**
